

SUPREME PYRAMID 2002 at the STOCKTON HOLIDAY INN—NOVEMBER 7-10

The "All American City" Northern California Adventure

Annual Supreme Session for 2002 will be conducted at the Stockton Holiday Inn. A touch of grandeur will await you at your destination as you experience all new hotel amenities, ideal for your leisure time — the perfect venue for Supreme Pyramid Business Sessions and activities. Centrally located in the town of Stockton, it has easy access from Interstate 5 or Highway 99. On site you will enjoy new elegantly decorated rooms with 25" television, coffee maker, hair dryer, ironing board & iron, clock radio, personal voice mail and equipped with either one king bed or two queen beds. A large tropical pool and fitness center await your use. Rooms are also available for physically challenged travelers.

Plan to attend November 7-10, 2002. Masonic dignitaries receiving formal invitations include the Grand Masters of California, New Jersey and Illinois; Grand York Rite Bodies, Supreme Council of Scottish Rite in California and Ben Ali Shrine's Potentate. They have been invited to attend the Pharaoh-elect Reception Dinner and Installation Saturday evening, November 9.

The Stockton Pyramid No. 5 "2002 Supreme Session Coordinating Committee" is busy at work on all the details and logistics required for our successful gathering. They found the Stockton Holiday Inn to be most suitable for the activities scheduled for the second weekend in November. Room rates for Sciots and their guests, making reservations by October 25, 2002, will be \$79 + 8% tax, per night. Executive suites on the first and second floors have been reserved for our sitting Pharaoh and the Pharaoh-elect. A hospitality room has been secured on the first floor, located directly south of the elevator.

Great meals and entertainment are planned and details will be communicated in later publications and flyers. A few new functions are planned for our Ladies: A tour of Stockton's Haggin Museum on Friday and a Champagne Brunch followed by Shopping in Lincoln Center, one of the City's premier shopping areas. Final details for these activities are in the works.

MAKE YOUR RESERVATIONS by October 25 to receive the special "Sciots" rate. Take advantage of the early reservation date and don't forget to mention our group booking code: "AES." Those making reservations as early as October 15 will receive a special room gift, compliments of Pyramid No. 5.
